This product is provided as a dietary supplement for distribution only by licensed health care practitioners by Nutri-Spec, 89 Swamp Road, Mifflintown, PA 17059.

This product features:

GLUCOMANNAN + INULIN + GUAR GUM = the three most potent prebiotics:

- benefit **all** immune-related inflammatory conditions and allergies and decrease autoimmune disease antibodies†
- increase immune-modulating butyrate better than any other dietary fiber†
- benefit irritable bowel and **all** other intestinal inflammatory conditions†
- improve absorption of calcium, magnesium, and trace minerals†
- improve intestinal detoxification†
- benefit Type II diabetes by decreasing high blood sugar, decreasing high insulin, and increasing insulin sensitivity†
- decrease body fat percent†
- decrease triglycerides and decrease LDL cholesterol without decreasing HDL cholesterol†
- benefit high blood pressure and cardiovascular disease†
- increase the population of beneficial intestinal flora†

L. reuteri:

- most profound boost to the immune system of **all** probiotics†
- increases butyrate production from prebiotics†
- colonizes not just the colon, but the stomach, duodenum and ileum†
- **kills** harmful bacteria and Candida (both in the GI tract and the genitourinary tract)†
- decreases triglycerides and cholesterol†
- increases vitamin B₁₂ production†

S. Boulardii:

- benefits **all** intestinal inflammatory conditions†
- restores the structure and function of the intestinal lining†
- increases immune-modulating butyrate†
- **kills** pathogenic bacteria and Candida†
- increases the population of beneficial intestinal flora†

RECOMMENDATION: Take six capsules daily, or as directed by your healthcare professional.
